DESCRIPTION

Aurodhea Argan Oil Hair Conditioner strengthens the hair, making it naturally soft and light. Argan Oil gives the hair protection, moisturisation as well as strength and shine. Characterised by a high Vitamin E content, it replenishes substances lost through frequent washings. It contains Grapeseed Oil, with moisturising, sebum-regulating and restructuring properties. Sunflower Oil in the formula is ideal for hair damaged by heat (straighteners, hairdryers, styling) or chemical treatments; it guarantees an intense moisturising, restructuring and repairing action; it improves hair elasticity and fights free radicals. Application after application, this conditioner revives the radiance and silkiness of brittle, stressed and damaged hair, detangling and disciplining it.
