Pure Neem Oil

### CODE

U04B

### FORMAT

100 mL

### DISPOSAL INDICATIONS & CERTIFICATIONS

### BUSINESS PARTNER

Distributed by Lolûm for Chogan Group S.p.A. Registered Office: via A. Olivetti, 24 – 00131 Roma (RM) Headquarters: via A. Riccheo, 7 – 76121 Barletta (BT) ITALY

### DESCRIPTION

#### PROPERTIES AND USES

Neem Oil stands out for its antiviral, antibacterial, antiparasitic, antiseptic and antifungal properties. These actions make it suitable not only for our health and beauty, but also for the protection of plants and animals from parasite attacks, except those with white coat.

You can add a few drops of essential oils to Neem Oil to make it more fragrant and possibly enhance its action against the ailment you wish to treat or prevent. Neem Oil is also known for its ability to boost the immune system. It is a strong and concentrated oil, hence the need to dilute a few drops of it in neutral basic creams or in milder vegetable oils, such as Jojoba Oil, for topical application on skin.

DERMATOLOGICALLY TESTED

### HOW TO USE

#### USE AND PRACTICAL ADVICE

Add a few drops of Neem oil to your usual shampoo for an effective anti-dandruff, antibacterial and anti-lice action.

Apply a few drops onto skin affected by psoriasis, mycosis, dermatitis, eczema, warts and acne to promote tissue healing.

In the case of cold sores, apply 2-3 drops of oil to the blisters; repeat several times a day, until complete healing.

---

## WARNING

The use of pure oil and in cases of hypersensitivity, diabetes and autoimmune diseases is not recommended. Avoid application on children under 5 years of age. Perform a patch test on the inner elbow to assess skin tolerability. Not for animals with white coat. Avoid release to the environment. Avoid falls, shocks and inappropriate handling that might cause product spillage. Store in a cool, dry place away from heat sources.
